

Research Advisory Committee  
**Australasian College of Paramedicine**

Dear Researcher,

On behalf of the Australasian College of Paramedicine I would like to thank you for conducting research in the paramedic profession.

The College takes pride in assisting and fostering research of all levels within or relevant to the discipline and therefore would be pleased to consider your request for assistance in disseminating this research participation opportunity to our members. The College supports engagement with and promotion of quality research relevant to its membership.

To enable assessment of these and expedite a decision, we ask that you complete that attached 'screening' checklist. Once you have submitted the screening checklist and essential documents, the Research Advisory Committee will review the application against its internal framework and advise you of a decision within 30 days.

Below are the methods by which the College can disseminate the opportunity to participate in your research to its members:

- As a news item accessible via the Australasian College of Paramedicine "Latest News" tab and via the URL <https://paramedics.org/news?category=Research>
- As a brief news item in our monthly e-News email
- A Twitter post containing a hyperlink to your research
- As appropriate, targeted emails to College membership sub-groups.

If you have any questions, please do not hesitate to email us at  
[research.committee@paramedics.org](mailto:research.committee@paramedics.org)

Kind Regards,  
Research Advisory Committee
